

FEE SCHEDULE FOR 2010

The CMPA determines membership fees based on your type of work (TOW) AND where you work or train.

- TOW codes are described below.
- Fees by TOW code and fee region are listed on the reverse.

Type of work (TOW) codes	Description
20	Administrative Medicine – Medical Executive/Medical Advisor/Medical Expert – no clinical contact.
40	Allergy
90	Anesthesia
33	Assistance at Surgery – no other professional work.
91	Cardiac Surgery
70	Cardiology
38	Chronic Pain Management without general or spinal anesthesia.
31 Revised	Clinical Associates, Hospitalists, Hospital-based physicians, House Officers or House Medical Officers – on a medical service (must not include CCU, ICU, NICU work or emergency department consultation for specialist services). This code is not appropriate for physicians holding specialist certification who continue to perform clinical work in their specialty or for family physicians who also have a general practice. Also, this code is not appropriate for physicians eligible for code 12 or 14.
32 Revised	Clinical Associates, Hospitalists, Hospital-based physicians, House Officers or House Medical Officers – on a surgical service . Includes assistance at surgery, pre/post-operative care (must not include labour and delivery, independent surgical practice, fracture care, CCU, ICU, NICU work or emergency department consultation for specialist services). This code is not appropriate for physicians holding specialist certification who continue to perform clinical work in their specialty or for family physicians who also have a general practice. Also, this code is not appropriate for physicians eligible for code 12 or 14.
13* Revised	Clinical Fellows and physicians pursuing a structured program not recognized by the College of Family Physicians of Canada (CFPC) or the Royal College of Physicians and Surgeons of Canada (RCPSC), or a provincial/territorial medical regulatory authority: <ol style="list-style-type: none"> up to 36 months of supervised training in addition to the accredited programs of the CFPC or RCPSC OR equivalent training and qualification in another country; must be based at a university-affiliated teaching hospital; includes only that clinical work integral to the additional training; includes extra resident shifts; this code will not include assistance by the CMPA in case of medico-legal difficulty arising from independent practice of medicine outside the program whether remunerated or not. <p>NO MOONLIGHTING. <i>Clinical Fellows who moonlight must select the appropriate practising physician code, not code 14.</i></p>
42	Clinical Immunology
28	Community Medicine (Public Health)
44	Dermatology
45	Diagnostic Imaging
82	Emergency Medicine/Emergentology. This code is also appropriate for family physicians or general practitioners who work primarily in the emergency department.
46	Endocrinology
<p>FAMILY MEDICINE OR GENERAL PRACTICE</p> <p>Family Medicine or General Practice (private office, CLSC, hospital or ward work, walk-in/urgent care clinic, home care, nursing home, or chronic/long-term care facility). Includes assistance at surgery. If work is restricted to one area of care, e.g., addiction medicine, geriatrics, hospital work, occupational medicine, palliative care, sport medicine, or psychotherapy, select the appropriate code from the Fee Schedule. If work is restricted to minor cosmetic procedures, choose code 37. These family practice codes are not appropriate for physicians holding specialist certification who continue to perform clinical work in their specialty.</p>	
35	– excluding anesthesia, obstetrics (labour and delivery), shifts in the emergency department, and surgery.
73	– primary professional work in family medicine including shifts in the emergency department. If working primarily in the emergency department, choose code 82.
79	– including anesthesia and surgery. Also includes shifts in the emergency department.
78	– including obstetrics (labour and delivery). Also includes anesthesia, surgery and shifts in the emergency department.
47	Gastroenterology

Type of work (TOW) codes	Description
83	General Surgery
48	Genetics
84	Gynecologic Surgery without labour and delivery. If work is restricted to office gynecology, choose code 37.
50	Hematology
52	Infectious Diseases
53	Intensive/Critical Care
54	Internal Medicine and its subspecialties not elsewhere noted.
24	Medical Biochemistry
25	Medical Microbiology
59	Medical Oncology
8 Revised	Missionary or Charitable Work Abroad excluding the USA and all other countries where the U.S. legal system is applied , minimum period three months and maximum period 12 months. Members must confirm eligibility for assistance with the CMPA prior to leaving Canada.
66	Neonatology
55	Nephrology
56	Neurology
92	Neurosurgery
58	Nuclear Medicine
39	Obstetrical/Infertility practice without labour, delivery and/or surgery. If work is restricted to office gynecology, choose code 37.
93	Obstetrics with or without Gynecology
51	Occupational Medicine
60	Ophthalmology
94	Orthopedic Surgery
77	Otolaryngology including cosmetic procedures restricted to the head and neck.
21	Pathology – Anatomic
22	Pathology – General
23	Pathology – Hematological
26	Pathology – Neurological
85	Pediatric Surgery
61	Pediatrics – primary professional work in pediatrics, may include shifts in emergency department. If work is restricted to developmental pediatrics, choose code 27.
27	Physical Medicine and Rehabilitation/Physiatry or Geriatrics or Palliative Care. This code is also appropriate for pediatricians whose practice is restricted to developmental pediatrics.
86	Plastic Surgery
36	Psychiatry and/or Addiction Medicine - including general practitioners whose work is restricted to psychotherapy and/or addiction medicine. May include shifts in the emergency department of a psychiatric hospital.
65	Radiation Oncology
62	Respiratory Medicine
63	Rheumatology
64	Sport Medicine
37	Surgical Consultations/Office Surgical Practice. This code is also appropriate for physicians whose practice is restricted to minor cosmetic procedures or office gynecology.
9 Revised	Teaching/Research Work Abroad excluding the USA and all other countries where the U.S. legal system is applied , minimum period three months and maximum period 12 months. Members must confirm eligibility for assistance with the CMPA prior to leaving Canada.
87	Thoracic Surgery
12*	Trainees who are registered in a program of postgraduate training recognized by the College of Family Physicians of Canada (CFPC), or the Royal College of Physicians and Surgeons of Canada (RCPSC), or a provincial/territorial medical regulatory authority. Includes extra resident shifts. This code is also used by International Medical Graduates in a program to obtain a licence for independent practice. This code will not include assistance by the CMPA in case of medico-legal difficulty arising from independent practice of medicine outside of the program whether remunerated or not. NO MOONLIGHTING.
14*	Trainees who are registered in a program of postgraduate training recognized by the College of Family Physicians of Canada (CFPC), or the Royal College of Physicians and Surgeons of Canada (RCPSC), or a provincial/territorial medical regulatory authority. This code will include eligibility for assistance by the CMPA in case of medico-legal difficulty arising from independent practice of medicine outside of the program whether remunerated or not. WITH MOONLIGHTING. Trainees who moonlight must hold licensure/registration acceptable to the regulatory authority (College) in the jurisdiction in which the moonlighting will occur. Those who moonlight outside the region of their program must select the fee region with the highest fee. Trainees who limit their clinical activities to only moonlighting work (e.g., locum) for more than two consecutive weeks must change to a practising physician code. Clinical Fellows (code 13) who moonlight are not eligible for code 14.
88	Urology
89	Vascular Surgery

2010 TYPE OF WORK CODES AND FEES BY REGION

Select the type of work (TOW) code (see reverse) that most accurately reflects all your professional responsibilities.

- **If you do more than one TOW:** Select the one with the highest risk. Then select the fee region where you work, are registered in a training program, or moonlight. If you work in more than one region, select the one with the highest fee.
- **Trainees who moonlight outside the region of their program:** Select the fee region with the highest fee.
- **Clinical Fellows who moonlight:** Select the appropriate practising physician code and fee region where you moonlight.
