

2018 Highlights

CMPA Resident Symposium

1247

resident
physicians
attended

6

Canadian
medical
schools

92%

would recommend
the symposium
to their peers

92%

of residents believe they can reduce their medical-legal risk
as a result of participating in the symposium

99%

of residents intend to make improvements in their practice
related to: clarifying responsibilities, documentation,
consent discussions, teamwork, and disclosure of harm

*"Fun and interactive means of presenting information that could have easily been dry.
The symposium had relevant take home points and made it easy for me to identify
how to integrate and apply patient safety into my practice."*

– University of Ottawa resident
