FEE SCHEDULE 2018
The CMPA determines membership fees based on your region and type of work (TOW). Select the type of work that most accurately reflects all your professional responsibilities. Fees by TOW code and fee region are listed on the reverse.

Family medicine or General practice (TOW)
Family medicine or General practice (private office, CLSC, hospital or ward work, walk-in/urgent care clinic, home care, nursing home, or chronic long-term care facility). Includes assistance at surgery.
• If work is restricted to geriatric, palliative or physical medicine and rehabilitation, choose code 27.
• If work is restricted to occupational medicine, choose code 51.
• If work is restricted to minor cosmetic procedures, choose code 37.
• Excluding anaesthesia, obstetrics (labour and delivery), shifts in the emergency department, and surgery.
• Primary professional work in family medicine including shifts in the emergency department. (If working primarily in the emergency department, choose code 62.)
• Including obstetrics (labour and delivery), anaesthesia, surgery, and shifts in the emergency department.
• Including anaesthesia, surgery and shifts in the emergency department.

Postgraduate training (TOW)
Residents and Fellows — No moonlighting — Residents registered in a postgraduate medical education program, international medical graduates registered in a program to obtain a licence for independent practice and clinical fellows and physicians pursuing a structured university affiliated program.
• Includes extra resident shifts, but will not include CMPA assistance in medical-legal difficulties arising from independent practice of medicine outside the program.
• Will generally include eligibility for CMPA assistance in medical-legal difficulties arising from independent practice of medicine outside the program.

Residents — With moonlighting/restricted registration — extracurricular (outside of a residency training program) practice of medicine by residents registered in a postgraduate medical education program leading to certification with the College of Family Physicians of Canada (CFPC), the Royal College of Physicians and Surgeons of Canada (RCPSC) or a provincial or territorial medical regulatory authority (College).
• Will generally include eligibility for CMPA assistance in medical-legal difficulties arising from independent practice of medicine outside the program whether remunerated or not.
• Residents who moonlight must hold licensure or registration acceptable to the regulatory authority (College) in the jurisdiction where the moonlighting takes place.
• Residents who limit their clinical activities to moonlighting (e.g. locum) for more than two consecutive weeks must change to a practising physician code.
• Clinical fellows who moonlight must select the appropriate practising physician code, not code 37.

Work abroad
Humanitarian, Teaching/Research — excludes the USA and all other countries where the U.S. legal system is applied. Minimum period 3 months and maximum period 12 months. Members must confirm eligibility for assistance with the CMPA prior to leaving Canada.

Specialties (TOW)
Administrative medicine —
Medical executive/advisor/expert — no prescriptions, clinical or patient contact.
This code will generally include eligibility for CMPA assistance where medical input is utilized but will generally not include eligibility for CMPA assistance in matters related to non-medical acts performed in administrative roles, such as human resource matters or contractual issues.

Anæsthesiology 90
Biochemistry — Medical 24
Cardiology 70
Clinical associates and hospitals — on a medical service (must not include CCU, ICU, NICU work or emergency department shifts or consultation as part of specialist services).*
Clinical associates and hospitals — on a surgical service. Includes assistance at surgery, pre/post-operative care (must not include labour and delivery, independent surgical practice, fracture care, CCU, ICU, NICU work or emergency department shifts or consultation as part of specialist services).*
Clinical Immunology and Allergy 42
Critical/Intensive care medicine 53
